was at home one day dreaming about my next shag when the postie knocked on the door with a parcel for me.

I answered in just a towel and signed for the parcel, then asked the postie to do me a favour before he left.

"A fuse is blown in my power shower, will you change it for me?'

He followed me into the house and I showed him where the fuse box was.

As I bent down in front of him I made sure my towel rose over my arse to expose my bum and pussy.

I glanced behind me and noticed that the postie was trying to hide an enormous hard-on.

I wiggled my bum enticingly,

face, grinding my cunt all over his mouth, and gasped when I felt his nose against my arsehole.

I spun around and ripped open his trousers. and began frantically wanking his hard cock into my open mouth.

The pre-cum trickled from his tip and I dabbed it all up with my tongue as his balls tightened in my fingers.

All at once he grabbed the back of my head and forced his cock down my throat.

He grunted once then erupted all over the back of my tongue.

There was gallons of sperm and I swallowed every drop, even the trickle that dribbled from the corner of my mouth.

I gave him five minutes to recover, but told him he

ordered him to fuck me, so he slid his rock cock into my wet pussy and drove my legs back to spear me nice and deep.

Just at that moment, the front door opened and the postie froze. I told him not to worry as it was only my husband, and me and Alan have an understanding.

When Alan walked in and saw us, he just smiled and told the postie to fuck me hard and proper.

The postie couldn't believe it and lasted only a few strokes before he groaned he was cumming.

At that moment my pussy tightened and I came just as his sticky seed was squirting inside me.

Alan was wanking furiously

next to me and he shot his milky load all over my face and down my thirsty throat.

I love my husband's cum and he gasped with joy as he emptied his balls down my gulping throat.

Before he left, the postie doubled up with Alan and the pair of them fucked me at the same time.

I had one cock in my pussy, and one in my arse. I multipleorgasmed like you wouldn't believe as my husband and this guy I hardly knew fucked me from behind.

That was some morning. I hope the rest of the street didn't mind that their post was so late. The postie himself wasn't complaining!

Helen, Colchester.

to let him know that he didn't have to hide it, and shivered as I felt his hands on my cheeks.

The postie began to kiss my arse, so I spread my legs nice and wide and his tongue soon found my pussy.

I pressed back against his

he fucked me properly.

I laid back and played with my pussy as the postie worked himself up into a state again and well before five minutes were out he was on top of me.

The postie sucked my tits for a few

seconds. then traced his tongue over my soft stomach and into my wet pussy.

He stopped very briefly, just to savour the moment. then began to lick my swollen lips and clitty until I was almost bursting with anticipation.

I couldn't take it any more and

Although it's being released in this country on the Harmony label, this flick was actually lensed by Vivid a couple of years back - but it's certainly none the worse for that! Lexi Belle is absolutely smoking in the opening scene, her perky boobs poking out atop a tight bustier as she takes a right royal reaming in her nearperfect snizz. Still, there are plenty of other highlights along the way in a film that clocks in at over 140 minutes in length, not least the twin dicking for Tati and Taylor Russo, who share not just their genes but also a hunger for cock!

This cheating-themed flick from Private features quite a few faces (pussies, boobs etc) that'll be familiar to Escort readers, including Ella Hughes, Stella

Cox and Lucia Love. Didn't take us long to slot it in the machine and have a shufty, and we weren't disappointed! No sooner has Stella's hubby gone out than she's falling into the arms of her lover boy, letting him jam his cock up her arse and bugger her silly, while Lucia also dishes out an anal treat while her lover's wife looks on – seems like she won't let him do hers! No backdoor action for Ella, but her scene's still a corker!

My wife's got an outfit just like the one Crystal is wearing in your last issue - we ordered it online, and we've certainly got our money's worth out of it. **Every Sunday morning** she gets ready and then comes to turn down the sheets - only to find my stonking erection waiting for her! I pretend to be asleep as she wraps her warm lips round my twitching pole, and

I can tell you, there aren't many better ways to start a Sunday! If she's feeling really horny she'll even let me fuck her arse before we're done, which gets both of us cumming extra hard in no time. It's even better when we go away for the weekend - we're both hoping a real maid will catch us at it one day and join in...

Mark, Littlehampton.

I've got a similar outfit myself - no wardrobe is complete without one in my opinion! Can't really argue with your Sunday routine there, either!

Those pictures of Lynda Leigh had my cock swelling in no time at all, even though I'd just drained my balls over Crystal a few pages earlier! Those amazing boobs and perfectly toned body are a testament to Lynda's staying power in the business - sadly I was rather lacking in staying power myself as I wanked myself off

Lynda Swell!

for the second time in no more than 10 minutes - something I wouldn't have thought possible (I'm 61) before I saw those pictures of Lynda! She's put plenty of lead in my old pencil, that's for sure, and as Lynda proves, some things definitely do improve with age!

Keith, Preston.

She does just seem to get hotter and hotter, doesn't she? Glad to hear she's keeping you young and vigorous!

Out

of gangour time, there aren't many titles

there as

full-on as this! Aidra Fox and Veronica Avluv both take on 5 massive cocks, and boy, do they pull out all the stops. DPs, squirting, and even a double anal drilling for the frantic Veronica mark this out as a raincoater's dream scruff flick, which can be downloaded from Blissbox.com - if you're feeling brave enough, that is!

ne night I went out to a bar with my boyfriend. We met another couple and our story begins. It just shows what can happen if you've got the right attitude!

We started to get to know each other and me and the other guy's girl started to get to know each other. We started to dance, sensuously and erotically.

By the middle of the night we'd had a lot to drink and suddenly I felt this hand going up my skirt. Well, I didn't move because it felt so good. I learnt later her name was Sarah, but at the time it didn't matter so much as she got my cunt so wet!

I was so horny I asked this couple to come back with us. I had never really thought I was into girls, but fuck, I was

into this one!

I couldn't wait to get her home and suck that pussy, enjoying the taste of that in my mouth.

When we got home we went upstairs, had a few drinks, and before I knew it, there I was, bending over in between that girl's legs, licking her pussy and fingering her cunt for all I was worth.

Then I started fucking her with a vibrator. God, we felt so horny - she was groaning with pleasure and pushing it right up her cunt in ecstasy.

She started to orgasm so hard so I put my tongue up her hole to finish her off.

We weren't finished off yet though. I wanted a foursome and so begged the fellas who had been

watching and wanking to join in.

As I was bent over I felt something going up my pussy, but didn't bother to turn around because I didn't care whose cock was up me.

I started feeling like a real slut because I didn't care whose cock was buried deep in me.

A few minutes later I was getting cocked to death from behind while sucking my fella's dick while that bitch was sucking my swollen clit hard and with loads of spit running down my upper leg.

This went on for ten minutes, at the end of which I started to orgasm, seemingly without

Both fellas pushed me onto my back while Sarah carried on licking my bare, pink pussy.

They stuck their cocks in my mouth, slapped them against my forehead and then jacked off in my mouth.

It tasted so good I sucked every last droplet of white spunk off their big hard cocks.

Then I spat it out on their cocks and licked it off again.

For a finale, I bent over and let them stare into my deep dark anus and they spunked all over it while I fingered my by-now very wet clit and cunt hole.

The night ended and here we are hoping that some of your horny readers will join me for some slut fun. Cocks and fannies both welcome! Hope to hear from you soon!

Angel, Cornwall.

groaned as I ran my tongue up and down his shaft.

I sucked on his dick for a good five minutes before he told me to stand up. Being so big and strong, he lifted me up in the air and I repositioned my legs around him. Then he lowered me until his hard prick skewered my moist snatch.

I shivered as my wet pussy slid down over his cock. My petite frame was nothing for him so I bounced up and down, controlling the rhythm at which we fucked. Occasionally I would buck backwards and forwards just to heighten the pleasure.

After a while Brian must have been feeling the strain so he moved us both over to by my desk and lowered me on to it, still keeping his prick inside of me. With me on my back it was now his turn to control the tempo. Every thrust sent a shiver down my spine. Brian was a big man and had a lot of power to put behind his thrusts.

Pretty soon I was wailing at the top of my voice again. This time the moans were longer and more

satisfying, much like the orgasm that soon followed.

It took Brian a bit longer to finish off but when he did my cunt was flooded with his cum. As he pulled out a gush of juices trickled out on to my desk. I'd have to get that cleaned up before we left.

As I remained sprawled on my desk, Brian tidied himself up and promptly left. But not before wishing me a good holiday. I was going to need it after that! 3

Hello Stranger!

mouth and he fucked my face with hard and fast thrust.

His wet cock nudged the he pulled me to my feet and marched me towards the bedroom.

Still holding me by the hair, he pushed me to the bed and slipped his free hand into my panties.

He rubbed my shaven

back of my throat and I recognised his voice as he groaned with relief.

Pulling his huge hard-on from my mouth one last time, hole, teasing my clit and splaying my lips before shoving two fingers deep up inside me.

My legs started to shake and he fingered my sopping cunt just the way I liked it.

His fingers slip up and down my wet slit as he pulled me out of the rest of my clothes, before straddling my face and shoving his hard cock back into my eager wet mouth.

I sucked his delicious cock and ran my tongue around his balls, as he squeezed my tits with one hand and rubbed my clit with the other.

I could feel my body tighten as my orgasm neared.

My cunt got wetter and wetter as my orgasm neared and just as I was about to cum, he pulled his prick from my mouth and thrust it into my hole.

I came all over his cock in an instant as he pinned me to the bed and fucked me

Being ravished by a total stranger has always been a fantasy of mine,, but I never thought anything would come of it until I confessed my fantasy to my fiancé lain.

Imagine my surprise when, a couple of days later, there was a knock at the door and I found myself face to face with a man in a balaclava.

Before I could say anything, he pushed me inside and pinned me against the wall.

He slammed the door shut and pulled his tracksuit bottoms down to reveal an enormously hard cock.

He pushed me to my knees and slipped his glistening prick into my mouth.

I sucked it as furiously as I could, bobbing my head to pleasure every inch of his

Pre-cum began filling my

with everything he had.

My juices drenched his balls and I gasped as I felt them slap against my exposed arsehole.

He smiled when he saw this and slipped a couple of fingers into my arsehole, making me scream with delight.

My muscles tightened around his fingers as my pussy tightened around his prick and I was rocked by a second colossal orgasm.

He turned me onto my stomach and pulled my arse to his face.

He stroked his tongue between my cheeks and licked the inside of my arse, then he smeared my juices all over my ring and I knew what was coming next.

He straightened up and shoved his hard dick against it, pressing a little firmer until his cock slipped into my arse.

The moment his tip was inside, the rest of his 8in quickly followed.

His fat balls slapped again my wet cunt as he fucked me with powerful strokes.

I buried my face into the pillow and moaned as he held me from behind and drove his cock into

me again and again.

He pulled his cock out and I spun around just in time to catch the full force.

He came all over my face, covering my cheeks and splashing my mouth as I licked my lips.

This triggered my third and final orgasm and I lay there creaming my thighs.

After a while, he removed his mask and smiled at me lovingly. He had clearly enjoyed the experience as much as I had!
